

DRD1 Collaboration Meeting 2025
Second Announcement

Warsaw, August 18, 2025

Dear DRD1 Colleagues,

We are pleased to share some updates regarding the upcoming DRD1 Collaboration Meeting 2025, which will take place in Warsaw (Poland), from October 6-10, 2025, hosted by AstroCeNT - CAMK PAN. Preparations for the meeting are ongoing. As of August 1st, we received 10 applications for the Young Researchers Grants, which are currently under evaluation. The outcome of the evaluation process will be announced by September 1st, 2025. As part of our commitment to support and recognize the contributions of early-career researchers (below 35 years old), the meeting will also feature awards for the best poster and the best oral communication presented by young researchers.

 Regarding contributions to the DRD1 meeting programme, as usual **Working Group conveners will be responsible for organizing the time slots in their respective sessions**. We kindly ask participants interested in presenting work to reach out directly to the conveners in a timely manner to secure a presentation slot.

Upcoming important dates for the DRD1 Meeting in Warsaw:

-  September 1: Notification of grant results;
-  September 5: Early-registration fee deadline (on-site participants);
-  September 26 (16:00 CET): Final deadline for registration and late fee payment.

Further details, including the program, venue, and practical information, are available on the official Indico page:
