

Session Program

21-25 Sept 2026

HERA 2026

WE-HERAEUS-EAS WORKSHOP FOR EARLY
CAREER RESEARCHERS IN ASTRONOMY

BLACK HOLES

AT DIFFERENT FLAVOURS

WILHELM UND ELSE
HERAEUS-STIFTUNG

21-25 09 2026
WARSAW

Black holes at different flavours - WE - Heraeus - 2026 EAS Workshop for Early Career Research in Astronomy

***Black holes, horizon, photon orbit, marginally
bounded orbit, ISCO, ergosphere, the Roche
radius in the context of TDE***

Monday 21 September

09:30

11:00

Black holes, horizon, photon orbit, marginally bounded orbit, ISCO, ergosphere, the Roche radius in the context of TDE

Session | **Location:** Bartycka 18, 00-716 Warsaw | **Convener:** Mr Marek Abramowicz
